## INTRODUCTION

Frontend developer skilled in React, JavaScript, and modern UI design. I build fast, responsive web apps with clean code and seamless user experience. Passionate about scalable solutions and always eager to grow through real-world challenges.

## EDUCATION

**Vellore Institute of Technology, Bhopal**  2021 - 2025
Bachelor of Technology in Computer Science Engineering

## SKILLS

**Frontend Development:** HTML5, CSS (SCSS, Tailwind), JavaScript (React, Redux, Context API)
**Languages:** Java, JavaScript
**Technologies:** Git/Github, REST APIs, Firebase
**Concepts:** OOPs, Data Structures and Algorithms, Responsive Design, UI/UX Principles, Agile Development

## PROJECTS

**Real Time Chat Application (React JS, Firebase)**  12/2022 - 01/2023

- Created a real-time chat application using React and Firebase, enabling seamless user communication with real-time message updates.
- Integrated Firebase Authentication for secure user sign-in and account management.
- Storage processes using Firebase framework specifically for managing media files related to messages on the platform; findings revealed three primary causes of delays leading to targeted optimizations that enhanced user experience.
- Employed Firebase Realtime Database to store and manage chat messages, ensuring real-time updates and synchronization across users.

**E-commerce Clothing Website (React JS, Tailwind CSS)**  01/2023 - 04/2023

- Developed a fully functional online store with key pages, including landing, about, contact, checkout, and single product pages, designed to optimize user experience and navigation.
- Implemented key features like add to cart functionality and product listings to streamline the shopping process, ensuring a seamless experience for users
- Leveraged ReactJS for dynamic frontend development, Tailwind CSS for responsive, mobile-first styling, and Axios for efficient API communication and data handling, ensuring smooth interaction and seamless data flow across the application.

## CERTIFICATIONS

- HTML/CSS - Great Learning  01/2023
- JavaScript – Great Learning  01/2023
- Java - Great Learning  01/2023

## EXTRACURRICULAR

- Directed a team of 5 in developing and presenting a project exhibition, which received an S grade and resulted in high engagement and positive feedback.

- Led 10+ academic presentations, facilitating collaboration among team members.
- Participated in the Advitya24 University Fest (VIT Bhopal) (February 2024)

## ADDITIONAL

- **Languages:** Fluent in Hindi, English
- **Hobbies:** Playing Chess, Reading Books, Exploring Creative Things
